OFFICE OF THE CHIEF INSPECTOR OF MINES

AND

CHAIRMAN, BOARD OF (COAL) MINING EXAMINATIONS

Dhanbad, the 27th April 1967

No. BOARD-COAL/13157/67—In accordance with the provision laid down in sub-regulation (5) of Regulation 13 of the Coal Mines Regulations, 1957, and in supersession of all previous Notifications on the subject, the following bye-laws made under sub-regulation (4) of the said Regulation for conduct of medical examination under sub-regulation (1) of Regulation 27 of the Coal Mines Regulations, 1957, are hereby published :—

BYE-LAWS FOR THE CONDUCT OF MEDICAL EXAMINATION UNDER SUB-REGULATION (1)

OF REGULATION 27 OF THE COAL MINES REGULATIONS, 1957

1. *Application for Examination*—An application for a medical examination under sub-regulation (1) of Regulation 27 of the Coal Mines Regulations, 1957 shall be made by the candidate to the Chief Inspector not less than four months prior to the date on which such medical examination is due.

2. *Examination and Examiners*—(1) So far as practicable the examiners appointed by the Chief Inspector for each medical examination under this regulation shall be two registered medical practitioners. Every examiner shall be paid a fee of Rs. two for every candidate examined.

(2) The applicant may be required to appear for medical examination at such time and at such place as may be communicated to the applicant in writing. While at the place of the examination, every candidate shall conduct himself as required by the examiners.

3. *Standard of fitness etc.*—(1) For ascertaining the freedom of a person from deafness, defective vision or any other infirmity, mental or physical, likely to interfere with the efficient discharge of his duties, the medical practitioners appointed as examiners shall *keep in view* the standard laid down in First Schedule in these bye-laws. Notwithstanding these standards, however, if the examiners are of the opinion that any disability of the person is of such a nature and degree that it is not likely to interfere with the normal discharge of his duties for a period of five years, the examiners may declare the person to be fit.

(2) If the examiners are of the opinion that the disability of the person is of such a nature and degree that it can be cured or controlled such that it is no longer likely to interfere with the normal discharge of his duties, the examiners may recommend that the person may be directed to get his disability cured or controlled, as the case may be, and to submit himself to another medical examination within such period not exceeding six months as they may specify. The Chief Inspector may, at his discretion and subject to such conditions as he may specify by an order in writing, permit the person to continue to act in a statutory capacity during such period.

(3) The examiners shall submit their report in the form in Second Schedule to these bye-laws.

4. *Identify of the candidate*—Every candidate shall bring with him to the place of examination the certificate of competency held by him, and shall produce the same (along with the authorisation issued to him for appearing at the examination) to the examiners for proving his identity.

5. *Successful candidates*—The certificate of competency of every successful candidate shall be retained by the examiners who shall immediately after the examination, forward the same to the concerned Regional Inspector of Mines for endorsement. The certificate duly endorsed shall be returned to the candidate through the manager of the mine, if any, where he is employed.

6. *Provision for re-examination*—Where the Chief Inspector is of the opinion that due to special circumstances it would be advisable for a candidate who has failed to satisfy the examiners in an examination aforesaid to be re-examined he may arrange for a re-examination of the candidate by other examiners. The fee stipulated in clause (b) of Regulation 27(1) shall payable for every such re-examination. Bye-laws 1 to 5 above shall also apply to every such re-examination.

FIRST SCHEDULE

STANDARD OF PHYSICAL FITNESS

1. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the efficient performance of his duties in the mine. In assessing the fitness of the candidate the Medi-

cal Board/Medical Officers shall make due allowance for the age of the candidate and the normal deterioration in health and physical fitness likely to occur at such age, so however that the arduous nature of the mining profession is kept in view.

2. *Hearing* in each ear must be good and there should be no progressive disease in the ear.

3. The following *standard of visual acuity*, with or without glasses, should be strictly observed.

(a) For underground workers :	
One eye.	6/6
The other eye.	6/12
Or	
Each eye.	6/9
(b) For surface workers :	
One eye.	6/9
The other eye.	6/18
Or	
Each eye.	6/12

Unocular persons should be declared unfit for underground work. For surface work unocular surface persons should have a vision of at least 6/12.

4. There should not be any *active disease* of the heart and lungs.

5. There should be no evidence of disease of *abdominal* organs.

6. If *hernia* is present and the Medical Board/Medical Officers are of the opinion that it can be effectively controlled by the use of truss, the candidate may be declared fit. In other cases he may be declared fit after a successful operation.

7. *Hydrocele*, if present, should not be large enough to impede his normal activities. If the hydrocele is large, the candidate may be declared fit after operation.

8. The *limbs* should be well formed and developed, and the function of all limbs should be within normal limits.

9. There should not be any *congenital malformation*, or defect, or any deformity likely to interfere with the candidate's normal duties.

10. The candidate should be free from Chronic *skin* disease.

SECOND SCHEDULE

Form—II

REPORT OF MEDICAL EXAMINATION

We do hereby certify that we have examined Shri—
holder of certificate
No. ———. His age by his own statement
is ——— years and by appearance is ——— years. He has the following distinguishing marks :

(i)

(ii)

Our findings in respect of his health are as follows :

1. General development : Good/Fair/Poor

2. Height :

3. Weight :

4. Girth of Chest :

(i) After full inspiration

(ii) After full expiration

5. Eyes :

(i) Night blindness

(ii) Visual acuity, Distant vision

Right eye.

Left eye.

6. Hearing :

Right ear.

Left ear.

7. Respiratory system :

Chest Measurement :

(i) after full inspiration.

(ii) after full expiration.

8. Circulatory system :

Blood Pressure

9. Digestive system :

10. Liver :

11. Spleen :

12. Hydrocele :

13. Hernia :

14. Nervous system :

Indications of nervous or mental disability, if any :

15. Genitourinary System :

16. Locomotor system : Any abnormality

17. Skin :

18. Is there anything in the health of the candidate likely to render him unfit for efficient discharge of his duties.

19. Remarks :

*We consider that he is fit to continue to work in mines for a period of one/five years.

*We consider him unfit to continue to work in mines because of (mention disability).

*He is suffering from and we recommend that he should be directed to get this disability cured/controlled and to submit himself to a medical examination within a period of months. He may be permitted to carry on his normal duties during this period.

(*Delete whichever is not applicable.)

Date (ii)

No. Board-Coal/13158/67—In accordance with the provision laid down in sub-regulation (5) of Regulation 13 of the Coal Mines Regulation 1957, and in supersession of all previous Notifications on the subject, the following bye-laws made under Regulation 13 for the grant of Medical Certificates of fitness under Regulation 28, are hereby published.

BYE-LAWS FOR THE GRANT OF MEDICAL CERTIFICATES OF FITNESS UNDER REGULATION 28 OF THE COAL MINES REGULATIONS, 1957

1. *Constitution of Medical Board*—(1) The Medical Certificate of Fitness to a holder of Manager's or Surveyor's Certificate or to an Engineer of whatever category, or other senior official shall be granted by a Senior Medical Board which shall consist of :

- (i) The Civil Surgeon, Dhanbad; or the Physician Specialist Central Hospital, Coal Mines Welfare Organisation, Dhanbad; or some other qualified medical practitioner in the employ of Government nominated by the Chief Inspector;
- (ii) A qualified medical practitioner nominated by the Chief Inspector; and
- (iii) A medical Inspector of Mines nominated by the Chief Inspector.

The medical Inspector of Mines shall also act as the Secretary to the Senior Medical Board.

(2) The Medical Certificate of Fitness to a holder of an Overman's Sirdar's, Engine Driver's or Shotfirer's Certificate or to an official appointed under Regulation 33 of the Coal Mines Regulation, 1957 or other junior official shall be granted by a Junior Medical Board which shall be constituted for every Inspection Region, consisting of :

- (i) The local Civil Assistant Surgeon or some other qualified medical practitioner in the employ of Government nominated by the Chief Inspector;
- (ii) A qualified medical practitioner nominated by the Chief Inspector; and
- (iii) A medical inspector of mines nominated by the Chief Inspector;

The medical Inspector of Mines shall also act as the Secretary to the Junior Medical Board.

2. *Payment of examination fees to members of Medical Board*—Every member of the Senior and Junior Medical Board, other than the Secretary, shall be paid by the Chief Inspector out of the money realised by him under bye-law 3 and examination fee of Rs. Sixteen and Rupees Five respectively, for every candidate examined.

3. Application for a Medical Certificate of Fitness—

(1) An application for the grant of a Medical Certificate of Fitness shall be made by the candidate to the Chief Inspector not less than four months prior to the date on which the Medical Certificate of Fitness is required.

(2) Every such application shall be accompanied by a fee of Rupees Thirty-two in case of a holder of Manager's or Surveyor's Certificate or an Engineer of whatever category or other senior official, and a fee of Rupees Ten in the case of the holder of an Overman's, Sirdar's, Engine Driver's or Shotfirer's Certificate or an official appointed under Regulation 33 or other junior official. The fees shall be paid as prescribed in Regulation 198 of the Coal Mines Regulations, 1957.

(3) In addition to the fees mentioned clause (2) the cost of any laboratory, X-ray and other investigation considered necessary by the Board shall be paid by the candidate.

4. *Examination by Medical Board*—(1) The applicant may be required to appear for a medical examination at such time and at such place as may be fixed by the Medical Board and communicated to the applicant by the Secretary to the Board.

(2) For ascertaining the fitness of a person to carry out properly the duties prescribed for him under the Act and the Regulation etc. the Medical Board shall keep in view the standards laid down in the First Schedule to these bye-laws. Notwithstanding these standards, however, if the Medical Board is of the opinion that any disability of the person is of such a nature and degree that it is not likely to interfere with the normal discharge of his duties for a period of one year, the Medical Board may declare the person fit.

(3) The Medical Board shall submit its report in the forms contained in the Second Schedule to these bye-laws.

5. *Unsuccessful candidates*—(1) If a person who fails to satisfy the Medical Board regarding his fitness to carry out properly the duties prescribed for him under the Act and the Regulation etc. so requests within 15 days of the declaration of the results of the examination by the Medical Board, the Chief Inspector may arrange for his re-examination by the Standing Medical Board of the State in which the medical examination under these bye-laws was held. For every such re-examination, the fee stipulated by the Standing Medical Board shall be paid by the applicant in the manner intimated to him by the Secretary.

(2) In case a person who has failed to satisfy the Medical Board regarding his fitness has requested the Chief Inspector for re-examination by the Standing Medical

Board under clause (1), the Chief Inspector may, at his discretion and subject to such conditions as he may specify by an order in writing, permit the person to continue to act as manager or an official or a Shotfirer or a winding engineman, as the case may be, till he has been re-examined by the Standing Medical Board or for such lesser period as may be specified by the Chief Inspector in the order.

6. *Re-examination*—(1)(a) If the Medical Board is of the opinion that the disability of the person is of such a nature and degree that it can be cured or controlled such that it is no longer likely to interfere with the normal discharge of his duties, the Medical Board may recommend that the person may be directed to get his disability cured or controlled, as the case may be, and to submit himself to a medical re-examination within such period not exceeding six months as it may specify. The Chief Inspector may, at his discretion and subject to such conditions as he may specify by an order in writing permit the person to continue to act as manager or an official or a shotfirer or a winding engineman, as the case may be, during such period.

(b) The fee stipulated in clauses (2) and (3) of Bye-law 3 shall be payable for every such re-examination. The provision at bye-laws 1 to 4 above shall also apply to every such re-examination.

(2)(a) If a person who has been declared unfit by the Medical Board or by the Standing Medical Board referred to in Bye-law 5 represents to the Chief Inspector that, subsequent to his examination by the Medical Board or the State Medical Board aforesaid, he has been cured of his disability and that he is fit to carry out properly the duties prescribed for him under the Mines Act and the Rules and Regulations made thereunder, and produce a certificate from a Registered Medical practitioner to that effect, the Chief Inspector may, on such conditions that he may specify, permit him to be examined again by the Medical Board or the State Medical Board for ascertaining his fitness. For every such examination, fee on the scales prescribed under these bye-laws shall be paid.

(b) A permission granted to a person to appear for a medical examination under sub-clause (a) shall not imply a permission to work as manager or an official or a shotfirer or a winding engineman, as the case may be, till he has been examined again by the Medical Board or the Standing Medical Board and declared fit.

FIRST SCHEDULE

STANDARD OF PHYSICAL FITNESS

1. A candidate must be in good mental and bodily health and free from any Physical defect likely to interfere with the efficient performance of his duties in the mine. In assessing the fitness of the candidate, the Medical Board/Medical Officers shall make due allowance for the age of the candidate and the normal deterioration in health and physical fitness likely to occur at such age, so however that the arduous nature of the mining profession is kept in view.

2. *Hearing* in each ear must be good and there should be no progressive disease in the ear.

3. The following *standard of visual acuity*, with or without glasses, should be strictly observed.

- | | | | |
|-------------------------------|----|------|--|
| (a) For underground workers : | | | |
| One eye | .. | 6/6 | |
| Other eye | .. | 6/12 | |
| Or | | | |
| Each eye | .. | 6/9 | |
| (b) For surface workers : | | | |
| One eye | .. | 6/9 | |
| Other eye | .. | 6/18 | |
| Or | | | |
| Each eye | .. | 6/12 | |

Unioocular persons should be declared unfit for underground work. For surface work, unioocular persons should have a vision of at least 6/12.

4. There should not be any active disease of the *heart* and *lungs*.

5. There should be no evidence of disease of *abdominal organs*.

6. If *hernia* is present and the Medical Board/Medical Officer is of the opinion that it can be effectively controlled by the use of truss, the candidate may be declared fit. In other cases he may be declared fit after a successful operation.

7. *Hydrocele*, if present, should not be large enough to impede his normal activities. If the hydrocele is large, the candidate may be declared fit after operation.

8. *Limbs* should be well formed and developed, and the function of all limbs should be within normal limits.

9. There should not be any *congenital malformation* or defect, or any deformity likely to interfere with his normal duties.

10. The candidate should be free from Chronic *skin* disease.

11. *Urine* : Presence of alumin in urine without any gross organic disease of kidney *producing manifest signs and symptoms*, should not be considered to be a disability. If a candidate's diabetes is effectively controlled, he should be declared fit.

12. *Skiagram of chest* : There should not be any evidence of active pulmonary or cardiac disease.

SECOND SCHEDULE

Place :

Date :

No. BOARD/COAL/13159/67—In accordance with the provision laid down in Regulation 13(5) of the Coal Mines Regulations, 1957, the following bye-laws made under Regulation 13(4) for the conduct of examinations for and grant of Winding Engineman's I Class Certificate and Winding Engineman's II Class Certificate published :

BYE-LAWS FOR THE CONDUCT OF EXAMINATIONS FOR THE GRANT OF WINDING ENGINE-MAN'S I CLASS AND II CLASS CERTIFICATES OF COMPETENCY

1. *Application to be supported by original certificates, etc.*—No application shall be considered unless it is supported by original certificates as to qualifications (if any), literacy, practical experience, age, sound health, character, and is accompanied by evidence that the prescribed fee has been paid.

2. *Holding of examinations.*—Examinations shall be held at such times and such places as may be fixed by the Board and notified to the candidate. The examination fee of a candidate who fails to appear for an examination at the appointed place and time without sufficient cause to the satisfaction of the Chief Inspector shall be forfeited.

3. *Appointment of Examiners.*—(1) Except as practicable, the examiners appointed by the Board for each examination shall be a qualified engineer possessing experience of winding installations in Mines, and an Inspector of Mines (Mechanical) who shall also act as the Secretary for the examination.

(2) Except in an emergency no member of the Board shall act as an examiner.

3A. *Type of Competency Certificates.*—A Winding Engineman's Certificate may be valid for (i) Steam/Compressed Air Engines, or (ii) Electric Engines or both.

4. *Type of examination.*—(1) The examination shall be conducted orally in Hindi or in the language of the district in which the examination is held and, unless the candidate has already has experience, to the satisfaction of the Board, of having worked as a Winding Engineman for a period of not less than five years, shall include a practical test.

(2) The candidates for the grant of Winding Engineman's I Class and II Class Certificates shall be examined in the subjects listed in Appendix.

Provided that the standard of examination for the candidates for II Class Certificate shall be such as to test mainly the general knowledge of the candidates in these subjects.

5. *Conduct of the examination.*—(1) Every candidate shall conduct himself as required by the Secretary of the examination.

(2) Any candidate who submits a false certificate or counterfeits a certificate or makes a false declaration or adopts unfair means during the examination, may be disqualified by the Board and also debarred from appearing at any subsequent examination for a specified period not exceeding three years depending upon the facts of the case.

6. *Identity of candidates, etc.*—At the time of examination, every candidate shall hand over the authorisation issued to him for appearing at the examination and two unmounted photographs of himself (of a size approximately 5 cm. x 6.5 cm.) to the Secretary for the examination, who after satisfying himself that each photograph is a likeness of the candidate, shall endorse each of them on the back with the name of the candidate.

7. *Successful candidates.*—(1) In order to qualify, a candidate must obtain not less than 40 per cent of the maximum marks with each examiner and not less than 60 per cent of the total marks.

(2) The Secretary of the examination shall record the left hand thumb impression of every successful candidate.

8. *Unsuccessful candidate.*—A candidate who has failed in an examination for a Winding Engineman's Certificate shall not be eligible for re-examination for a period of three months from the date of the examination in which he failed.

9. *Re-examination of persons whose certificates were cancelled.*—Any person whose certificate has been cancelled by the Board under Regulation 26(3) of the Coal Mines Regulations, 1957, may appear in the examination, but not before the expiry of three years from the date of the order of cancellation.

APPENDIX

Subjects for Examination of Winding Enginemen.

1. General knowledge about apparatus under pressure of Compressed Air, gas or steam; knowledge of testing, precautions and indicators for pressure.

2. Working and examination of machinery (Regulation 186). Knowledge of provisions laid down in this regulation :

(a) Precautions regarding moving parts of machinery (Regulation 184). Knowledge of provisions laid down in this regulation.

3. *Signalling.*—Types of signal; code of signal for man winding, material winding and sinking shafts.

4. *General idea of Hoist (Functions and operation).*—Steam and Air Compressor and/or electric hoists (as the case may be). Direct and geared drives; valve gear, bearings, couplings, type of drums; operating levers, reversing levers, emergency safety levers and link motion.

5. *General Idea of various indicators and Recorders.*—Pressure indicator and/or ammeter and voltmeter (as the case may be); depth indicator, speed indicator and recorders, adjustment and marking where applicable.

6. *Slow Banking.*—Indicator and limit of speed for man winding or material winding. Some knowledge of operation of the equipment for automatic retardation of speed.

7. *Brakes.*—Various types including power-operated brakes; salient features of each type; their use, test and adjustment of brakes; examination of brakes including brake path; types of brake lining; normal position when operated; safety in the event of failure of power supply.

8. *Emergency Safety Devices.*—Emergency stop, trip levers etc.; emergency brakes.

9. *Safety contrivances.*—Against over wind, limit and test, some knowledge of its operation. Against over speed, limit and test and some knowledge of its operation for slow banking; and limit for man winding and material winding. Knowledge of detaching hooks, bell plate or box, keps, dogs, guides, receivers etc., and automatic indicator for keps at insets.

10. *General idea of Clutch.*—Type, operation, examination, position with respect to brakes, interlocking device.

11. *General idea of Electrical Circuits Brakers, transformers, controllers, resistance and electric bells; working voltages; interlocks and safety precautions (only in case of certificate valid for Electric Engines).*

12. *General Idea of Winding Ropes.*—Relation to Winding drum and pulleys, examination of end attachment; lubrication.

13. *Working Hoist.*—Key points for efficient and safe working cause of jerks and how to avoid them.

14. *Engineman's Duties.*—Full knowledge of duties laid down in Regulation 51, general alertness and reaction to emergency.

G. S. JABBI

Chief Inspector of Mines
and Chairman.
